RE: Central Utah Rail Project

In Reply Please Refer to Case No. 02-1734

Dear Mr. Black:

The Utah State Historic Preservation Office received the referenced information on December 5, 2003. After consideration of the consultation request, the Utah Preservation Office provides the following comments per §36CFR800.

Consultation; a phased approach is allowed by 2001 §36CFR 800 regulations. Use of class I data does limit the amount of analysis in the EA, but unless there are problems in the preparation of the environmental document, there should be no cultural issues with the phased approach.

This information is provided to assist with Section 106 responsibilities as per §36CFR800. My email address is: jdykman@utah.gov

As ever,

James L. Dykmann
Deputy State Historic
Preservation Officer - Archaeology
